

What is a **LEGAL NAME SLAVE**? Who are **YOU**? Got **I.D.???**

By TeNAH JeSuis

OBJECTIVE:

To shed light/**SHRED** Lie-t on just a few egg-samples in relation to the **LEGAL NAME FRAUD DECEPTION** imposed upon humanity.

Phonics/Phonetics proves everything, however, it is a **LEGAL FACT** that it is **ILLEGAL** to use/claim **LEGAL NAMES**, a.k.a. it is **UNLAWFUL** to **WORSHIP IDOLS**. The phoenix expands infinitely so feel free to see other ways of busting apart words/worlds.

We all know about DUALITY. So, I Googled the word TRIALITY.

<https://en.wikipedia.org/wiki/Triality>

Triality;

Trial-Ity , Trial-I.D. , Try all I.D. , Tree-Ell-ity , Trial I die , Tri-Ell-Hidey , t-reel-ity , Dry alley-t , D-Lie all I.D. , Tri-Ell-Light-D , Trial-I-Tie , Tree-Ell-I.D. , **and on and on it goes. Those where a few egg-samples of malevolent intentions hidden within the whirred, TRIALITY.**

Now here are some benevolent X-sa-M-pools, Tri-All-Eye-Te , Tree-Ary-Te , True-Rare-ity , True-Ary-T , True-Ally-Te , T-reality , Te-Royal-ity , etc...

Anyways, a TRIALITY as defined (*deafened/defend/de-fined/de-finned*) in mathematics (*mad-them-addicts/madam-mad-hex/mad-ham-mad-tics/madam-add-dicks/mad-theme-a-tics/meth' em-addicts/matt-em-attics*)

A Triality has to do with LIE GROUPS (that is what they are actually called, can it get any more in your face, it is everywhere in plane view)

https://en.wikipedia.org/wiki/Lie_group

A lie group (G-ru-P) is also known as a differentiable manifold.

(the lie group is the LEGAL SYSTEM/RELIGIONS/MILITARY, Triple Crown, London Vatican and D.C.)

DIFFERENTIABLE MANIFOLD

Die-for-rent-G-able Man-I-fold , div-err-ent-je-a-baal many-fold , deaf-fur-end chia-bull manna-fowled , divvy-ferr-undie-ab-Ell many-fooled , die-fear-end-G-a-bole man-a-vol-t

Group Operations must be compatible (com-pattie-baal) with the
SMOOTH STRUCTURE

Smooth (leios = leo = divine masculine = heart)

Smooth = soothe = under hexed creation in the womb of duality

Structure (petrified/dead corporation or building, built-ink, stone, hard,
dense, Saturn, Satan, carbon 666 mark of the beast, frozen false image on a
piece of Licentious paper) struck-tower, struck-taur

Smooth Structure = Ruled by Ego/Frozen in Time/Stuck in an illusion as a
dead legal namer/frozen heart

Smeeth / Smoothboots

Smithfield (place in London, market for Cattle and Horses, later became the
central meat market)

LIE GROUPS (lie-gropes) are named after a dead legal namer who
fraudulently claimed the name of SOPHUS LIE (late 1800' s).

S-Ophus Lie (double-headed serpent lie)

He wrote the THESIS OF LIE' S. One of the KEY IDEAS in the Thesis of Lies
is to REPLACE (re-place) the GLOBAL OBJECT (all of creation/Truth) or the
GROUP (the masses) with its LOCAL (low-kale, mal-nutritioned) or
LINEARIZED VERSION (linear = line-ear-eyes/lie-near-eyes, one-track mind,
legal name matrix, 2D flat-lined).

Linear (loon-you-are, line-ewe-are) – belonging to a line

The INFINITESIMAL GROUP, LIE ALGEBRA.

The G-Structure (Hexed creation dead voice). G = lie group of LOCAL (low-cull/low vibrational, calcified/lo-cal diet) symmetries of a MANIFOLD (man-I-fold/paper doll I.D. wallet)

G (free masons, incomplete six, hexed creation)

The group is the herd, their heard.

Truth (water) = Nature/Creation (na-X-aur) no legal name.

Lies (oil) = Sick-Nature/False Creations (signature = sigil-nature) legal name

Sigil (cy-gill = blind believer, Piscean legal namer)

Signature = Sign-a-chewer (chewer, chew, C.H.U.D./cannibalistic humanoid underground dwellers, cudd, cows, cattle, chattel, slaves, modern day slaves, dead bastard child)

Milked Cattle = Mulct Chattel

Legal Name says you are MULCT CHATTEL.

Moloch(Idol)-t(crux) Shat(past-tense Shit)-Ell(Lucifer)

Mulched/Merked/Merch' ed/Merchant/Mule

C.H.U.D.-Ell/chewed-Ell/cudd-Ell/cuddle/Shade-Ell/Q-Dell/chateau-Ell

LiveStock = Life Stalk

mulct. The meaning of **mulct** is as nasty as it sounds; it means to fine someone or the money you collect as a result of a fine.

mulct

verb

Definition of MULCT

1. transitive verb

2. **1:** to punish by a fine
3. **2a :** to defraud especially of money : **swindleb :** to obtain by fraud, duress, or theft

Full Definition of CHATTEL

1. **1:** an item of tangible movable or immovable property except real estate and things (as buildings) connected with real property
2. **2:** **slave, bondman**

Lose the name, it was never yours to begin with.
